

The Marriage of Opposites From the New York Times bestselling author of *The Dovekeepers* and *The Museum of Extraordinary Things*: a forbidden love story set on the tropical island of St. Thomas about the extraordinary woman who gave birth to painter Camille Pissarro; the Father of Impressionism. Growing up on idyllic St. Thomas in the early 1800s, Rachel dreams of life in faraway Paris. Rachel's mother, a pillar of their small refugee community of Jews who escaped the Inquisition, has never forgiven her daughter for being a difficult girl who refuses to live by the rules. Growing up, Rachel's salvation is their maid Adelle's belief in her strengths, and her deep, life-long friendship with Jestine, Adelle's daughter. But Rachel's life is not her own. She is married off to a widower with three children to save her father's business. When her husband dies suddenly and his handsome, much younger nephew, Fr derick, arrives from France to settle the estate, Rachel seizes her own life story, beginning a defiant, passionate love affair that sparks a scandal that affects all of her family, including her favorite son, who will become one of the greatest artists of France. Building on the triumphs of *The Dovekeepers* and *The Museum of Extraordinary Things*, set in a world of almost unimaginable beauty, *The Marriage of Opposites* showcases the beloved, bestselling Alice Hoffman at the height of her considerable powers. Once forgotten to history, the marriage of Rachel and Fr derick is a story that is as unforgettable as it is remarkable. ...more [The Marriage of Opposites PDF ebook](#)
