The King of Bones and Ashes (Witches of New Orleans, #1) From the bestselling author of the Witching Savannah series comes the first book in a fascinating trilogy following the quest of a young witch to uncover her family's terrifying secret history. Magic is seeping out of the world, leaving the witches who've relied on it for countless centuries increasingly hopeless. While some see an inevitable end of their era, others are courting madness—willing to sacrifice former allies, friends, and family to retain the power they covet. While the other witches watch their reality unravel, young Alice Marin is using magic's waning days to delve into the mystery of numerous disappearances in the occult circles of New Orleans. Alice disappeared once, too—caged in an asylum by blood relatives. Recently freed, she fears her family may be more involved with the growing crisis than she ever dared imagine. Yet the more she seeks the truth about her family's troubled history, the more she realizes her already-fragile psyche may be at risk. Discovering the cause of the vanishings, though, could be the only way to escape her mother's reach while determining the future of all witches. ...more **The King of Bones and Ashes (Witches of New Orleans, #1) PDF ebook**
